The screenshot shows the GHOR KHUJI mobile application interface. On the left is a dark sidebar with the app's logo at the top, followed by several menu items: "Post for Rent", "Rent Requests", "Messages", "Notice", "Maintenance", "Payment", "Settings", and "Logout". Below these is a profile section for "Farhan Nadim" labeled "Landlord" with a small profile picture.

The main area has a header with a search bar and a "+" button. Below it is a "Recent" section showing recent messages from other users:

- Mashfi Rahman: "Can we talk about the rent? 12:45"
- Arafatullah Rifat: "Ami basa nite ... 12:41" (highlighted in green)
- Khan Ratul: "Is it available? 12:30"
- Ishita Rehman: "Hello. 12:00"

The message screen for Arafatullah Rifat is open, showing a conversation history:

- Hi ... 12:40
- Hello ... 12:40
- Ami basa nite chai. 12:41

At the bottom of the message screen is a text input field with placeholder "Type a message" and icons for a paperclip and a camera.

The screenshot shows the GHOR KHUJI mobile application interface. The left sidebar is identical to the previous screenshot, featuring the "Notice" item which is currently selected and highlighted in white.

The main area displays a "Notice" section with four items listed:

- Flat 101
Bashundhara, Dhaka [View](#)
- Flat A2
Bashundhara, Dhaka [View](#)
- Flat 7F
Mirpur, Dhaka [View](#)
- Flat 3A
Mirpur, Dhaka [View](#)

To the right of the notices is a detailed view for "Flat 3A" addressed to "To Fariha Prity". The subject is "Subject: Rent Payment Reminder". The message body reads: "This is a reminder that your monthly rent is due. Please complete the payment within the scheduled time to avoid any late fees." Below the message are "Delete" and "Edit" buttons.
